ABOUT RALI

Rising with the businesses we serve

Our logo shows a series of bars rising together, and that is how we think about our work. When a business has reliable numbers and no compliance worries, it grows with confidence.

Rali Accounting and Bookkeeping gives UAE companies the kind of accounting support usually reserved for large firms: qualified accountants, clear fixed fees, proactive deadlines and reports written in plain language. We serve businesses across Dubai and the wider UAE, from first year startups to established trading and services groups.

WHY CLIENTS CHOOSE US

- **Fixed monthly fees**
  A written scope and a price agreed upfront. No hourly billing and no surprise invoices.
- **A compliance calendar built for you**
  VAT, corporate tax, WPS and licence dates tracked and filed ahead of time.
- **Reports you can act on**
  Monthly profit, cash flow and key numbers in plain language.
- **Real people, quick answers**
  Reach your accountant by phone, email or WhatsApp and get a reply within one working day.

HOW WE WORK

1. **Free consultation**
   We learn about your licence, activity, software and records.
2. **Fixed quote**
   A written scope and monthly fee, agreed before work starts.
3. **Onboarding**
   We collect your records and set your compliance calendar.
4. **Ongoing support**
   Books closed monthly, returns filed early, reports delivered.

OUR SERVICES

Nine services, one team

Accounting and Bookkeeping

Monthly bookkeeping, bank reconciliations, payables and receivables, IFRS financial statements and management reports.

Catch-up and Clean-up Bookkeeping

Overdue or messy books brought up to date and audit ready, at a fixed project price.

VAT Services

Registration, return filing, reconciliation, voluntary disclosure, deregistration and FTA penalty reconsideration.

Corporate Tax

Registration, Small Business Relief assessment, tax computation, return filing and transfer pricing basics.

E-invoicing Readiness

Accredited Service Provider selection, Xero, QuickBooks and Zoho setup, and process changes before your deadline.

Payroll and WPS

Monthly payroll, WPS salary files, end of service gratuity and payslips.

Virtual CFO and Advisory

Budgeting, cash flow forecasting, KPI reporting and audit coordination.

External Auditing

Audited financial statements for licence renewals, banks, investors and corporate tax, by independent registered auditors.

Liquidation Report

Final accounts, liquidation report and tax deregistration to close a mainland or free zone company cleanly.

INDUSTRIES WE KNOW WELL

E-commerce · Trading · Real Estate · Restaurants and Cafes · Professional Services · Free Zone Companies
